Paul,

looks like a great list. Kevin will follow-up with you re proceeding. I'm copying Frank and Heather for their review as well and they can give any comments to Kevin.

Also, Commissioner Hill asked me about this topic earlier today. She wanted to be sure the VHB work reflected the changing conditions and there was a discussion about the new potential development opportunities. I told her that indeed this was being done and VHB would be convening a focus group soon. Kevin, please close the loop with the Commissioner for me.

Thanks.

Byron

Hi Byron,

For your information and as a follow-up to our meeting on August 19, I've worked with Walter to put together the list of proposed invitees for the MLS Relocation Focus Group meeting. My recollection is that you were interested in who would be invited to participate. All of these folks have participated throughout the Parramore Comprehensive Neighborhood Plan process in a positive way and we think this is a good group to brief and obtain general feedback. The meeting has not yet been scheduled but I anticipate it will occur in late September or early October. As with every other meeting we've done as part of the Parramore Plan process, and as required by the HUD grant, we will post a notice on the City's website as well as the ECFRPC's Enhance Central Florida - Parramore Plan website, so others not specifically invited by phone or email may attend.

Thanks,

Paul
