CITIZEN'S COMPLAINT FORM (CONTINUED)

I witnessed Deidra Reid arrested by officer Nye, and officer Parnell. During this arrest there were several interactions I feel ~~we~~ should be reviewed by a non-bias party. Deidra Reid was thrown into a fence by both Nye and Parnell and then aggressively forced to the ground. While this was occurring I could hear Deidra Reid screaming in pain and stating clearly "I am not resisting." Upon brutally hitting the floor, officer Nye proceeded to mount her and force her arm out of place to handcuff her. She yelled during this entire event she continued to scream in pain. In a different location Reginald was being detained after I, Leonard, was mistaken for the "Black Male" Nye, the off duty officer, called to be arrested. She proceeded to knee him in the groin and attempt to slam him on the floor as well. Upon this failed attempt, Nye, attempted to push him into a car and yell charges. As a witness I do not agree with any of the force used.
